

**CONSTANT WATT CABLE
PIPE TRACE PT/PF**

Limited Warranty
Delta-Therm Corporation

Agrees to repair or replace at the manufacturer's option any Delta-Therm constant watt pipe tracing cable which fails to function within one year from the original invoice date if the failure is caused by defective workmanship or material or both.

Or, agrees to repair or replace at the manufacturer's option any Delta-Therm constant watt pipe tracing cable which fails to function within five years of the completed installation date if all of the following conditions have been met:

1. Testing of the constant watt pipe tracing cable is performed according to the installation instructions relating to the specific application;
2. Test results and the required information requested on the attached sheet are sent in writing to Delta-Therm (by registered mail) within 30 days of the completed constant watt pipe tracing cable installation;
3. The constant watt pipe tracing cable is returned to Delta-Therm with proof of purchase and with a written explanation of the alleged defect(s) and/or is available for inspection by a Delta-Therm representative within 30 days of the discovery of the defect(s). No cables may be returned without prior authorization from Delta-Therm. For any constant watt pipe tracing cable the consumer must prepay the shipment.

Or, agrees to repair or replace at the manufacturer's option any Delta-Therm constant watt pipe tracing cable which fails to function within ten years of the completed installation date if the above three conditions have been met, and an annual report is made to Delta-Therm providing megger and resistance readings. Please check the box at the bottom of the next page if you would like the reporting forms for the ten year warranty. They will be sent to you within two weeks of receiving your request.

The consumer is responsible for all costs involved in removing the constant watt pipe tracing cable as well as all costs involved in reinstalling any repaired or replaced constant watt pipe tracing cable. Delta-Therm Corporation is not liable for any incidental and/or consequential and/or business interruption losses or damages.

Any of the following will void this warranty:

- Failure to use appropriate Delta-Therm connection kits;
- Failure to follow Delta-Therm installation and testing instructions, cautions and warnings;
- Damage cause by abuse, misuse, alteration or mechanical abrasion;
- Damage caused by inadequate maintenance or unsafe repairs or both;
- Failure to use qualified electricians for installation;
- Failure to install cable assembly according to all applicable local electrical codes and to the National Electric Code.
- Failure to ground the systems or failure to use ground fault circuit interrupters.

Delta-Therm reserves the right to inspect the installation site(s) to determine whether this limited warranty applies.

THIS LIMITED WARRANTY IS EXCLUSIVE. THERE ARE NO WARRANTIES OF MERCHANTABILITY, AND THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF.
