

## **EMBEDDED HEATING SYSTEM MARKER**

### **Brass Identification Marker**

#### **DESCRIPTION**

The 2005 National Electric Code Article 426 Fixed Outdoor Electric De-Icing and Snow-Melting Equipment requires an identification marker.

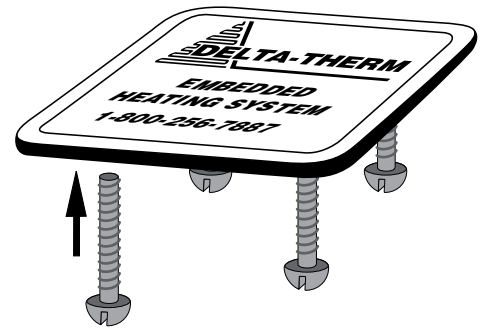

#### **Section 426-13 Identification**

The presence of outdoor electric de-icing and snow-melting equipment shall be evident by the posting of appropriate caution signs or markings where clearly visible.

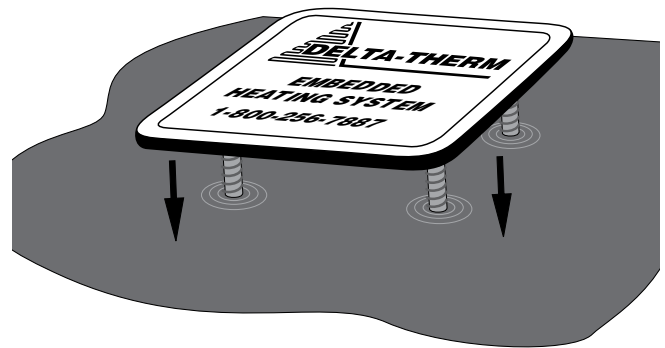

## INSTALLATION INSTRUCTIONS

1. Install four anchor screws to the back of name plate. Refer to Detail 1.
2. Sink into wet concrete or asphalt. Refer to Detail 2
3. Level plate so the top is flush with surface. Refer to Detail 3.

**Detail 1.** Installing screws.

**Detail 2.** Sink into wet concrete or asphalt.

**Detail 3.** Level with surface.
